## Student Housing RAG Montan

### Immobilien

#### Project information

The Project is situated in direct proximity to the southwest of the city centre of Kamp-Lintfort. On a plot of approximately 3850 m<sup>2</sup> (ABC site), new living space with an area of 2.313 m<sup>2</sup> is created for about 80 students of the College Rhine-Waal. The design comprises five square-shaped residential buildings, grouped in an informal arrangement and offering openness, airiness and freedom of urban living whilst interacting with the surrounding landscape.
